INQUESTS

A number of recent inquests including:

January 2006 re death in custody of John McDonnell.

6 week inquest at Nothallerton. Represented the interests of 10 officers following an arrest and violent struggle which continued through to the police station. The verdict was death due to a dependence on cocaine

October 2007 re the death of Dorothy Robinson following a fire at the BUPA St Davids Nursing Home in Teesside.

7 week inquest, Appeared for the Health and Safety Executive. Counsel represented the relatives, BUPA, the Employees of BUPA, and the Fire Brigade. Contentious issues included the scope of article 2 investigation into a non state body.

February 2008. re the death of Adrian Coldwell.

4 week inquest at Wakefield concerning a death in custody. Represented 4 custody sergeants who were facing internal discipline following the suicide of the deceased who hanged himself with a cord from his own track suit bottoms that should have been confiscated. All cleared during the inquest as the fault lay with others.

November 2008 re the death of Mark Camm,

6 weeks inquest Wakefield. This involved legal issues concerning arrest, treatment at the police station, a complete failure of medical diagnosis of an aneurysm, and then further medical failures at Pinderfields A& E which resulted in no treatment for 10 hours.

Represented 3 Inspectors who were on duty during the time in custody. Although the Jury criticised various aspects of police (and medical) care Inspectors clears of any inappropriate conduct.
